He was under extreme pressure and he was deeply perturbed. What aggravated the situation further was a warning from the top that if the deal is not clinched in favour of the company, his division might have to be closed and he may have to quit his lucrative job.

There was another dimension which was causing him deep mental torture and agony. This pertained to his personal precarious financial health. He was a single earner in the family with two school-college going children and his old ailing mother. The heavy expenditure on education and medical was causing a big strain to his monthly pay packet. Regular EMI for housing loan taken from bank unavoidable and any default would render him liable for severe legal action.

In the above backdrop, he was hoping for some miracle to happen. There was sudden turn of events. His Secretary informed that a gentleman Subhas Verma wanted to see him as he was interested in the position of Manager which was to be filled by him in the company. He further brought to his notice that his CV has been received through the office of the Minister of Defence.

During interview of the candidate-Subhash Verma, he found him technically sound, resourceful and experienced marketeer. He seemed to be well-conversant with tendering procedures and having knack of follow-up and liaising in this regard Prabhat felt that he was better choice than the rest of the candidates who were recently interviewed by him in the last few days.

Subhash Verma also indicated that he was in possession of the copies of the bid documents that the Unique Electronics Ltd. would be submitting the next day to the Defence Ministry for their tender. He offered to hand over those documents subject to his employment in the company on suitable terms and conditions. He made it clear that in the process, the Sterling Electric Ltd. could outbid their rival company and get the bid and hefty Defence Ministry order. He indicated that it will be win-win situation for both-him and the company.

Q.12 You are appointed as an officer heading the section in Environment Pollution Control Board to ensure compliance and its follow-up. In that region, there were large number of small and medium industries which had been granted clearance. You learnt that these industries provide employment to many migrant worker. Most of the industrial units have got environmental clearance certificate in their possession. The environmental clearance seeks to curb industries and projects that supposedly hamper environment and living species in the region, But in practice, most of these units remain to be polluting units in several ways like air, water and soil pollution. As such, local people encountered persistent health problems.

It was confirmed that majority of the industries were violating environmental compliance. You issued notice to all the industrial units to apply for fresh environmental clearance certificate from the competent authority. However, your action met with hostile response from a section of the industrial units, other vested interest persons and a section of the local politicians. The workers also became hostile to you as they felt that your action would lead to the closure of these industrial units, and the resultant unemployment will lead to insecurity uncertainty in their livelihood. Many owners of the industries approached you with the plea that you should not initiate harsh action as it would compel them their units, and cause huge financial loss, shortage of their products in the market. These would obviously add to the sufferings of the labourers and the consumers alike. The labour union also sent you representation requesting against the closure of the units. You simultaneously started receiving threats from unknown corners. You however received supports from some of your colleagues, who advised you to act
